

When I Reached the End of Me I Found You

Randy Pease

Decaf Music (BMI) 2021

You took me in when I was astray,
Gave me love and a place to stay.
Where I was bound, I didn't have a clue.
When I reached the end of me, I found you.

Been 'round the block a time or two.
Bad times, I've known a few.
But here I am, almost good as new.
When I reached the end of me, I found you.

Baby, I found you. Or maybe you found me.
Whatever the case, it was meant to be.
You gave me love, the kind I never knew.
When I reached the end of me, I found you.

Instr. Break

Girl, there ain't nothin' I'd rather do
Than spend my days growing old with you.
Your eyes are brown. Skies are blue.
When I reached the end of me, I found you.
